Strategic Objectives

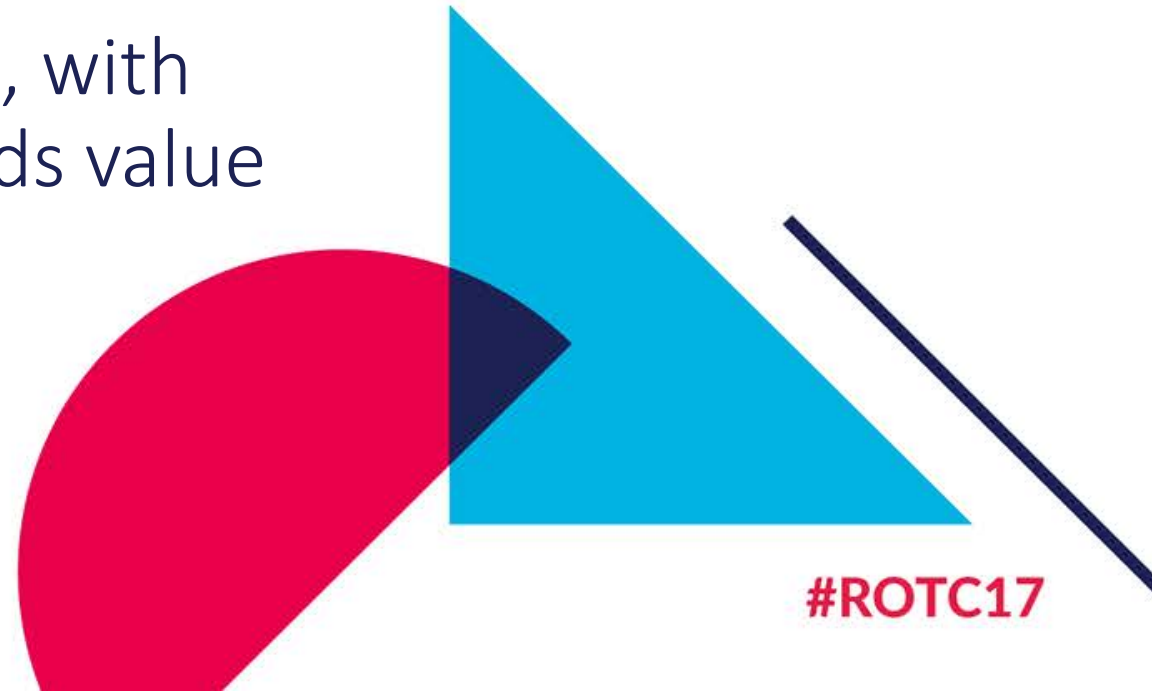

- Fully digital business by 2020
- ScotLIS the platform of choice
- Complete the land register by 2024
- Maintain an agile and sustainable business

#ROTC17

Fully digital by 2020

- 2018 Implement: Complete digital routing rollout, smarter e-forms, move from products to services
- 2019 Optimise: Online registration becomes mandatory, digital signatures widely accepted
- 2020 Extend: automation is the norm, with manual intervention only where it adds value
